Electroplated Type with 1/2" Hex shank

BLADETEC CODE	DIAMETER mm	PRICE \$
ETC25	25	113.00
ETC30	30	125.00
ETC50	50	170.00
ETC75	75	252.00
ETC100	100	337.00
ETC125	125	481.00
ETC150	150	540.00

Tile cores will run in strong standard drills with 1/2" or bigger chucks. Do not use hammer drills. Using with a little water will prolong the life of your drill. Always ensure you have a PRCD on your drill when using with water.

TILES & STONE

TERMITE

BY BLADETEC

Professional quality
Core Drills from 16mm- 500mm.
Arguably the best available in New Zealand!

High performance in hard concrete with any steel quantity.
High speed crowns, with special water gullets and
Triangle top segments for fast starting.

CROWNED CORE DRILLS 16-45mm
