RIG MOUNTED MOTORS

3

DR BENDER LARGE RIG DRILL (made in Germany)

BBS33 Extra three speed mounted drill 2400W
Single phase high power motor
(325/850/1450rpm) Drills up to 290mm holes.
Weighs 12.9kg, 6mth commercial warranty
\$2650.00+gst

DR BENDER LARGE RIG DRILL (made in Germany)

BBM33L Extra three speed mounted drill 3300W
Single phase high power motor
(480/1200/1960rpm) Drills up to 400mm holes.
or (360/820/1290rpm) Drills up to 450mm holes.
Weighs 13.2kg, 6mth commercial warranty
\$3195.00+gst

DR BENDER LARGE RIG DRILL (made in Germany)

Dolphin DX 6 Three speed mounted drill 6000W
(180/430/750rpm) Drills up to 100-450mm holes.
or (120/380/440rpm) Drills 150-500mm holes.
Weighs 24.5kg, 6mth commercial warranty
\$4675.00+gst

Adamas Concrete Core Drilling Rigs

ADAMAS B6

Stand for natural stone drilling. Vacuum base has three mechanical suction pads. Suits hand drills with 60mm mount. Suitable for drilling up to 60mm diameter.

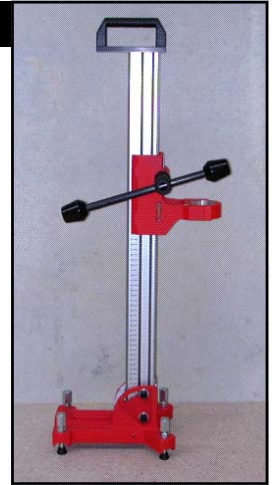

\$1300-00 +gst

ADAMAS B13 BD

Bolt down rig suitable for drilling up to 150mm diameter. Left or right feed carriage with 60mm motor mount for hand drills. Mast pivots through to 45 degrees for angled drilling. Weighs 7kg.

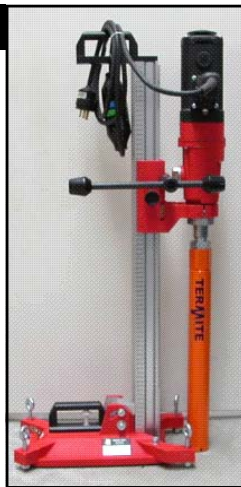

\$1050-00 +gst

ADAMAS B13

Combination Bolt down / Vacuum Hand drill rig with 60mm mount for drilling up to 150mm diameter. Light weight alloy construction weighing only 8kg. Has carry handle on top of the mast, which also pivots through to 45 degrees for angled drilling. Comes with suction kit.

\$1200.00+gst

ADAMAS B16

Combination Bolt down / vacuum drill rig with Fast exchange for either 60mm Hand drill mount, or quick release Rig motor. With a rig motor this rig is capable of drilling up to 200mm diameter. Light weight alloy construction weighing only 10.5kg.

Pivots through to 45° for angled drilling. Comes with suction kit.

\$1560.00+gst

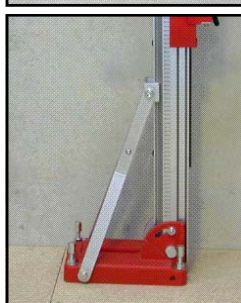

ADAMAS B32

Bolt down Rig with Fast exchange for drilling up to 400mm diameter. Complete with two speed carriage when extra steel is encountered. Light weight alloy construction weighing only 19.5kg Pivots through to 45 degrees for angled drilling. Comes with small transport wheels for easy manoeuvring around sites. Has built in levels.

Also available with small bolt down foot.

\$2077.00+gst

ADAMAS B50

Bolt Down Rig with Fast exchange for drilling up to 600mm diameter. Light weight alloy construction weighing only 26kg Pivots through to 45 degrees for angled drilling. Has two built in levels. Comes with small transport wheels for easy manoeuvring around sites. Extra mast supports for rigid drilling position strong enough for hydraulic drilling up to 600mm.

\$2446.00+gst
